Skater's good deed

Olympic figure-skater Tonya Harding (left) receives a Troutdale Elementary School T-shirt from Principal Julie Moyer after Harding presented the school with more than 2,000 pennies for the students' penny drive. The pennies were collected by Harding's fan club and donated in a pair of ice skates. The school is hoping to collect a million pennies, which will go toward a variety of different amenities, including computers. Harding will also be the grand marshal in July for the Troutdale Parade.
